Trends Defining the Future of Work

Today's employees expect to be productive from everywhere they work; imagine kitchen tables, sofas, coffee shop WIFI, or mobile hotspots, any time using a variety of devices from desktop and laptop PCs to tablets and smart phones.

EMPLOYEES WANT TO WORK EVERYWHERE

80%

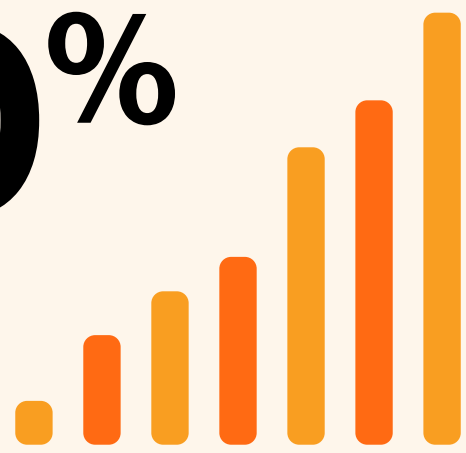

of the global workforce does not want to return to the office full-time¹

48%

of employees will likely work remotely a portion of the time after Covid-19²

50%

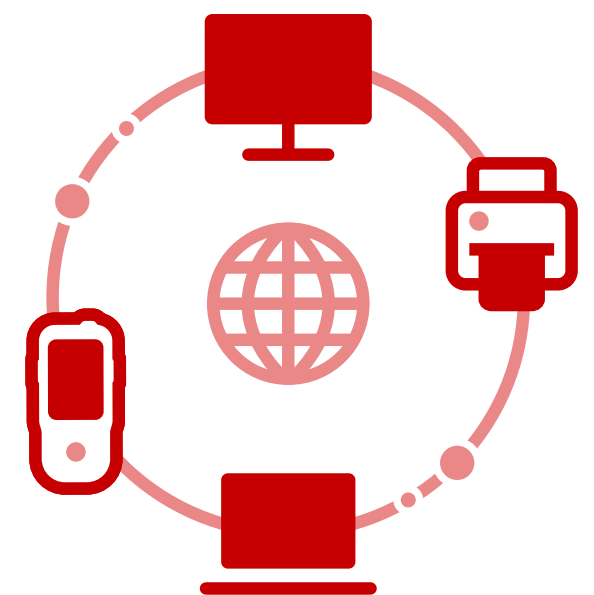

ACCESS DATA EVERYWHERE

50% of enterprise-generated data will be created and processed outside the data center or cloud by 2023³

FLEXIBILITY TO WORK ON ANY DEVICE

4.16 Billion

connected IoT devices will generate 79.4 (ZB) of data by 2025⁴

EXPECT BUILT-IN SECURITY

30,000%

increase in phishing, and malware attacks targeting remote users⁵

Powering the Everywhere Enterprise

Ivanti makes every IT connection smarter and more secure
